Please choose an Option for joining all or part of your communities and management company:

Option A (we want it ALL): I am committing to purchase an annual subscription for the Apartment Skillbuilder Series 2011 for all apartment communities we manage that are located within the defined geographic areas surrounding metro Detroit or metro Lansing, depending on the Series location indicated above. I understand we will receive a free subscription for the management company's corporate staff.

For example, a typical 90-minute radius of the metropolitan Detroit area would include all apartment communities located in the Wayne-Oakland-Macomb Tri-county area as well as the counties of Monroe, Washtenaw, Livingston, Genesee, Lapeer and St. Clair. See FAQs at www.SkillbuilderSeries.net for definitions of geographic areas.

OPTION B (pick and choose plus management): I am committing to purchase an annual subscription for the Apartment Skillbuilder Series 2011 for selected communities we manage within the defined geographic region. I would like to also purchase a separate subscription for the management company's corporate staff to attend training modules.

OPTION C (pick and choose just for properties): I am committing to purchase an annual subscription for the Apartment Skillbuilder Series 2011 for selected communities we manage within the designated Detroit or Lansing region.

See FAQs at www.SkillbuilderSeries.net for details on registering for the workshops.
